

Chloe

This sweet girl loves to warm up to you

Hello all! I'm Chloe and I'm a 2-year-old Labrador retriever. I came to Animal Services as a stray and I believe I can find a better home. Just like my cream colored coat, I'm sweet on the inside. I'm a very lovely pup, but I seem to be a little nervous here at Animal Services. Take me out to the yard so we can enjoy each others company and I will come to life. I love to be gently petted and belly rubs are the best! Won't you please give me another chance?
